

## EC DECLARATION OF CONFORMITY

Primary Flowpoints Limited is the designer, manufacturer and distributor of a range of Sight Flow Indicators for in line mounting within pipelines. These comprise of a flanged or screwed casting with glasses mounted such that the conditions within the pipeline can be visually examined. Flaps or spinners may be mounted within the unit to establish whether flow is taking place.

Units are rated for Hazard Category II, and pressure tested to at least 1.5 times the rated maximum working pressure.

Manufacture is covered by Module 'D1' of the Pressure Equipment Directive 97/23/EC.

TUV UK Limited of AMP House, Dingall Road, Croydon, CR0 2LX is the notified body who carried out the inspection and monitors the Manufacturers Quality Assurance System.
